QNA -18-

^{*}For purposes of figuring the shared responsibility payment, an individual is considered under 18 for an entire month if he or she didn't turn 18 before the first day of the month. An individual turns 18 on the anniversary of the day the individual was born. For example, someone born on March 1, 2001, is considered age 18 on March 1, 2019, and, therefore, isn't considered age 18 for purposes of the shared responsibility payment until April 2019.

QNA -19-

^{**}Gross income means all income you received in the form of money, goods, property, and services that isn't exempt from tax, including any income from sources outside the United States. It also includes gain from the sale of your main home, even if you can exclude part or all of it. Include only the taxable part of social security benefits (Form 1040, line 20b; Form 1040A, line 14b). Also include gains, but not losses, reported on Form 8949 or Schedule D. Gross income from a business means, for example, the amount on Schedule C, line 7, or Schedule F, line 9. But, in figuring gross income, don't reduce your income by any losses, including any loss on Schedule C, line 7, or Schedule F, line 9.

***If you didn't live with your spouse at the end of 2017 (or on the date your spouse died) and your gross income was at least \$4,050, you must file a return regardless of your age.

(Keep for your records)

Line 28b – Other Retirement Income Exclusion

If you were 62 or older on the last day of the tax year, you may be able to use the Other Retirement Income Exclusion. If you are filing jointly and only one spouse is 62 or older, only the income of that spouse can be excluded. You cannot exclude the income of the spouse who is younger than 62.

There are two parts to the exclusion: the Unclaimed Pension Exclusion and the Special Exclusion.

Unclaimed Pension Exclusion. If you did not use your entire retirement/pension exclusion on Line 28a, you may be able to use the unclaimed portion. Complete Worksheet D to determine if you are eligible and the amount to include on Line 28b. Part-year residents, **do not** complete Worksheet D. Instead, use Worksheet E.

Special Exclusion. If you (and your spouse if filing jointly) will never be able to receive Social Security or Railroad Retirement benefits because your employer did not participate in either program, you may qualify for the Special Exclusion. See Tax Topic Bulletin GIT-1, *Pensions and Annuities*, for more information.

Part-Year Residents. If you did not use your entire *prorated* retirement/pension exclusion on Line 28a, you may be able to use the unclaimed portion. Complete Worksheet E to determine if you are eligible and the amount to include on Line 28b.

Line 28c - Total Exclusion Amount

Add Lines 28a and 28b and enter the total.

Caregivers of Disabled Veterans. If you are not required to file a New Jersey return, but you met the eligibility requirements for the Wounded Warrior Caregivers Credit on page 40, you may be able to file Form NJ-1040-HW instead of Form NJ-1040 to claim the credit. See instructions on page 47.

Part-Year Residents. If your income for the entire year was equal to or less than the filing threshold amount and you are filing to get a refund, you must enclose a copy of your federal return. If you did not file a federal return, include a statement to that effect.

Line 30 – Exemption Amount

Enter the total exemption amount from Line 13.

Part-Year Residents. Prorate the total on Line 13 for the time you were a New Jersey resident and enter the amount on Line 30. For this calculation, 15 days or more is considered a month.

Line 31 – Medical Expenses

You can deduct certain unreimbursed medical expenses you paid during the year for yourself, your spouse or domestic partner, and any dependents you claim. You can only deduct expenses that are more than 2% of your gross income. In general, medical expenses allowed for federal tax purposes are allowed for New Jersey tax purposes. These can include:

- Physicians, dental, and other medical fees
- · Prescription eyeglasses and contact lenses
- Hospital care
- Nursing care
- Medicines and drugs
- Prosthetic devices
- X-rays and other diagnostic services conducted by or directed by a physician or dentist
- Amounts paid for transportation primarily for and essential to medical care
- Insurance (including amounts paid as premiums under Part B of Title XVIII of the Social Security Act, relating to supplementary medical insurance for the aged) covering medical care

You can also deduct qualified Archer MSA contributions and self-employed health insurance costs. Information is available on our website at www.njtaxation.org.

Use Worksheet F below to calculate your medical expenses deduction.

Note: For federal purposes you may be able to deduct amounts paid for health insurance for any child of yours who was under age 27 at the end of 2018. However, for New Jersey purposes you can deduct these amounts only if the child was your dependent. For more information, see Technical Advisory Memorandum TAM 2011-14.

Part-Year Residents. Include only those expenses you incurred and paid while you were a resident of New Jersey.
